

## Wine ENTHUSIAST

Château Doyac 2014

**88**

POINTS

Because it is planted in clay and limestone soil, this wine is inevitably dominated by Merlot. The wood-aging flavor shows strongly with spice and toast while the fruit is just beginning to hint at a black-currant future. It is rich and full, needing time. Drink from 2022.

Tasting Note

Ripe and solid, with a core of black currant and dark plum fruit allied to a graphite spine and backed by hints of iron and anise on the finish. Well done. Merlot and Cabernet Sauvignon. Drink now through 2022. 9,700 cases made.
